

A survey of Covid-19 vaccination uptake

Age

Gender

Femal ☐ Male ☐

Educational Qualification:

- Primary Education ☐
- Secondary Education ☐
- University Graduate ☐
- Other ☐

Working Industry:

- Not doing a job ☐
- Police and security ☐
- Agricultural ☐
- Health ☐
- Computer and Technology ☐
- Construction ☐
- Private business ☐
- Education ☐
- Entertainment ☐
- Fashion ☐
- Finance ☐
- Food and beverage ☐
- News and media ☐
- Marketing and promotions ☐
- Other ☐

Received Corona vaccines:

- AstraZeneca ☐
- Sinopharm ☐
- Moderna ☐
- Pfizer-BioNTech ☐
- Sputnik V ☐

Reasons for not taking other doses:

- Lack of confidence in vaccines ☐
- Thinking that getting vaccinated will have any effect on pregnancy. ☐
- Side effects of vaccinations ☐
- Due to a medical condition or medical advice ☐
- Because of the inconvenience of getting the vaccinations ☐
- For other reasons ☐

Reasons for taking 2 or more doses:

- Because government is forcing ☐
- Because you have to go abroad ☐
- Confidence in vaccines ☐
- Influenced by a family member or otherwise ☐

If the government provides similar vaccines in the future, will you get them?:

Yes ☐ No ☐

Reasons for that:
